RefugeeConnect's staff brings a diverse, global perspective to supporting refugees locally as they rebuild their lives here in the United States.

Why support **RefugeeConnect?**

RefugeeConnect's mission is to connect refugees (people forced to flee their country to escape persecution, war, natural disaster) with resources to rebuild their lives as United States citizens.

For more than a decade, RefugeeConnect has walked alongside refugee families as they build new lives in the United States. From navigating education, employment, housing, citizenship, and healthcare to overcoming language and cultural barriers, our Navigators provide trusted guidance so families can not only find their footing but also thrive as new residents.

Today, the need for RefugeeConnect's work is greater than ever. Organizations that support immigrants and refugees are facing major challenges as federal policies shift, leading to funding losses, staff reductions, and changes in services. RefugeeConnect partners closely with these organizations to ensure families continue to have access to the support they need to achieve stability and pursue long-term goals.

Since 2022, RefugeeConnect has served over 675 families, making more than 2,300 connections to health and community resources across 6 counties and 22 zip codes. To continue this vital work and meet a growing demand, we are working to diversify our funding base—because no single grant should determine whether a family gets the help they need. With your support, we can continue to provide stability and opportunity for families, not just today, but for years to come.

By partnering with RefugeeConnect, your business will help foster a stronger, more inclusive Greater Cincinnati—where refugees can become productive members of our shared future. Together, we can turn these new beginnings into lasting success.
